

Enjoy sleep with your ideal mask

Minimalist

Small. Light. Simple.

✓ I want less mask on my face.

Freedom

Sleep and move comfortably.

✓ I sleep on my side and/or stomach.

Ultra Soft

Patented memory foam offers unique comfort.

✓ I have sensitive skin and/or facial hair

Universal Fit

Classic designs that fit nearly every face.

✓ I need the best fit possible.

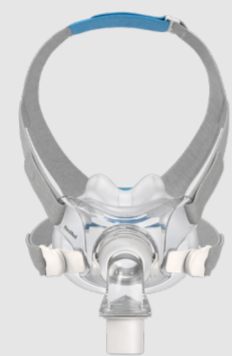

✓ I sleep and breathe with my mouth open.

✓ I experience nasal congestion.

OPTIONS

FULL
FACE

AirFit™ F30

A small, modern style full face mask with an UltraCompact cushion that rests under your nose for a discreet look and feel.

AirFit™ F30i

Combines a small, under-the-nose full face cushion with a top-of-head tube design that gives you the freedom to move comfortably.

AirTouch™ F20

Features an UltraSoft™ memory foam cushion which 90% of CPAP users find comfortable¹, and easy to wipe down – no wet cleaning required.

AirFit™ F20

ResMed's most popular full face mask² features a classic design that fits a remarkable 96% of people³⁻⁵, and seals well under variable therapy pressures.

✓ I sleep and breathe with my mouth closed.

✓ I toss and turn in bed.

OPTIONS

NASAL
MASK

AirFit™ N30

ResMed's lightest mask⁶ is designed to make staying on therapy easy. It features a curved nasal cradle cushion and adjustable QuickFit™ headgear.

AirFit™ N30i

Featuring a top-of-head tube design and an under-the-nose nasal cradle cushion, this mask makes it easier for you to sleep on your back, side or stomach.

AirTouch™ N20

Features an UltraSoft™ memory foam cushion that is designed to be softer than silicone. The cushion is easy to wipe down – no wet cleaning required.

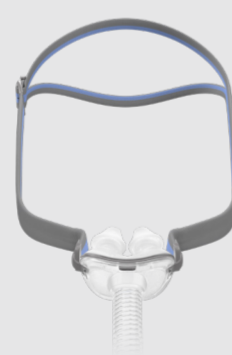

AirFit™ N20

ResMed's most popular nasal mask⁷ features a classic design that fits a remarkable 99% of people⁷, and seals well under variable therapy pressures.

NASAL
PILLOWS
MASK

AirFit™ P10

ResMed's best-selling nasal pillows mask² is quiet, light and a proven winner. With a minimal three-piece design, it's easy to fit, use and clean.

AirFit™ P30i

Featuring a top-of-head tube design and a nasal pillows cushion, this mask makes it easier for you to sleep on your back, side or stomach.

**Awaken
your best.**

¹ ResMed AirTouch™ F20 rescue study: 30-day assessment of 30 participants who intended to quit CPAP therapy with prescribed mask at balance. Jan 15, 2018 to Feb 22, 2018 in San Diego, CA. ² Based on internal ResMed ANZ sales data. ³ ResMed AirFit F20 internal Australian fitting study of 27 existing CPAP patients, conducted between March–April 2016. ⁴ ResMed AirFit F20 internal USA fitting study of 34 existing CPAP patients, conducted April 2016. ⁵ ResMed AirFit F20 internal EU and APAC fitting study of 90 existing CPAP patients, conducted June 2016. ⁶ As of October 2019. The total weight of AirFit N30, which includes the headgear and excludes the packaging, is 45g. ⁷ ResMed AirFit N20 internal international fitting study of 159 existing CPAP patients, conducted Nov 2015.
