

## ResMed Warranty Information

Our goods come with guarantees that cannot be excluded under the Australian and New Zealand Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The ResMed warranty is in addition to customer's rights and remedies under the Australian and New Zealand Consumer Law (and any other applicable law). Specifics around warranty periods for ResMed products can be found on [ResMed.com](http://ResMed.com).
